SUMMER CAMP
registration begins
April 10th!

American Red Cross

Babysitting Certification Course

WHY GET BABYSITTER CERTIFIED?

American Allstars Babysitter's Training and Certification will provide youth (ages 10-15) who are planning to babysit with the knowledge and skills necessary to safely and responsibly give care for children and infants. This training will help participants to develop leadership skills, keep themselves and others safe and learn how to develop a babysitting business. They will also learn about basic child care and basic first aid.

This could be the most important class your babysitter ever takes!

JUNE EVALUATIONS & CLASS OLYMPICS

The Class Olympics will be during your last class in June, starting June 23rd. Watch your child perform their routines during their regular class!

Family and guests will have the opportunity to take pictures while the gymnasts receive their awards. Students who attend will also receive an official evaluation for future class placement and first right to sign up for fall classes!
