

American Allstars Babysitter's Club

American Allstars now offers Red Cross certifications for Babysitter's Training and First Aid / CPR / AED Training!

Why get Babysitter Certified?
American Allstars Babysitter's Training and Certification will provide youth (ages 10-15) who are planning to babysit with the knowledge and skills necessary to safely and responsibly give care for children and infants. This training will help participants to develop leadership skills, keep themselves and others safe and learn how to develop a babysitting business. They will also learn about basic child care and basic first aid.
This could be the most important class your babysitter ever takes!

ALL BABYSITTERS WILL GO HOME WITH...
