We welcome and encourage all gymnasts and tumblers to sign up for our 13th Annual Holiday Spectacular the weekend of December 15th and 16th. Athletes will showcase all of their gymnastics skills for friends and family. All guests will be invited into the gym, which will be festively decorated, to share in their child's amazing experience. Gymnasts and tumblers will learn routines in their regular classes starting in November and will then perform at the show under the spotlights. Each participant will receive an American Allstars custom medal and certificate that will be awarded by a mystery guest. Our gymnastics team members will perform at the end for all to see. Refreshments and snacks will be available following the show for everyone to enjoy.

**Tickets go on sale Thursday, November 1st and will be sold on a first come first serve basis.** Tickets did sell out last year, so please make sure that you act fast so your child doesn't miss out on this special occasion. **All gymnasts and tumblers who are enrolled in class for the months of November and December are eligible to participate in the Holiday Spectacular.** The cost is \$39 per gymnast and spectator tickets can be purchased for \$5 each. As long as there are tickets available, gymnasts can sign up for the show through December 5th. No sign-ups will be accepted after tickets are sold out or once the deadline has lapsed. No credits or refunds for the gymnast's entrance fee after November 30th. Spectator ticket sales are final.

This is an amazing event that you and your family will remember for years to come! We encourage you to talk to people who attended one of our previous shows. You are welcome to bring your own cameras to catch your gymnast in action. **We hope your family can join us for this special event!**
