Our goal is to make sure that every gymnast gets the most out of their time with us, so they will be placed in skill and age appropriate classes. Coaches will monitor each gymnast's progress on a continuous basis and we will notify you as soon as your child has mastered all of the goals of their class and is ready to move up to the next level.

Your child's safety is our top priority, so our coaches will teach skills using proper progressions. This requires that certain skills be mastered before moving on to more difficult ones.
