

2023 Gym 1 Holiday Spectacular

3275 Martin Rd. Suite 125 Commerce, MI

www.AmericanAllstarsKids.com

248-668-9805

We encourage all **Gym 1 gymnasts** to sign up for our 16th Annual Holiday Spectacular **Friday, December 15-Saturday, December 16th**. All students will learn routines in their regular classes starting in November and will then perform those at the show under the spotlights. Each participant will receive an American Allstars custom medal during the awards ceremony. Our gymnastics team members will also do a demonstration for everyone. All guests will be invited into the gym, which will be festively decorated, to share in their child's experience.

Tickets go on sale Monday, November 6th & will be sold on a first come first serve basis. Tickets did sell out last time for gymnasts and guests, so please make sure that you act fast so your child doesn't miss out on this special occasion. **All Gym 1 gymnasts who are enrolled in class for the months of November and December are eligible to participate in the Holiday Spectacular.**

The cost is \$45 per gymnast & spectator tickets can be purchased for \$8 each. There is a limit of 4 spectator tickets per gymnast for the first week of sales (Nov 6-11). If you have performers in different showtimes you will need to purchase tickets separately to each show for guests and gymnasts. As long as there are spaces & tickets available, gymnasts can sign up for the show through December 2nd. No sign-ups will be accepted after tickets are sold out or once the deadline has lapsed. No credits or refunds for the gymnast's entrance fee after November 30th. Spectator ticket sales are final.

This is an amazing event that you and your family will remember for years to come! We encourage you to talk to people who attended one of our previous shows. You are welcome to bring your cameras to catch your gymnast in action. Videos are recommended. We hope your family can join us for this special event! ***Strobe lights & loud music are used throughout the performance***
