PEDIATRIC FIRST AID/CPR

CERTIFICATION COURSE

This hands on program is for students 10-15 years old who want to be American Red Cross certified in Pediatric First Aid/CPR. This is a 2 year certification. The course will use Red Cross Manikins for rescue breaths, compressions, AED, choking & more. Course supplies provided. *Must be able to show maturity in an emergency situation, proficiency of skills, and be able to compress Manikins to earn certification.*

This is a one day course that lasts 5 hours.

Students aged 10-15 are eligible for certification.

Camp is offered 9:00-2:00 and campers can be signed in starting at 8:45pm and must be signed out by 2:00pm.

For everyone's safety, students must follow the instructions of the instructor to remain in class.

This course is held in the front room using the Ninja entrance.
