- Make-up classes expire & are not guaranteed. Most levels you can do 1 make-up every other month on a designated Saturday, as long as you are still enrolled & there is space. Please see the office to find out more details.
- There are no make-ups or credits for days / holidays we are scheduled to be closed.
- Tuition is paid monthly and covers 1 designated class per week. Tuition is due on the 1st of each month.
- Every month is the full tuition October-June no matter if there are 3, 4, or 5 classes.
- If you want to stop a class, turn in a class stop form DURING your final month. Whatever month you turn in your form is the last month you are billed for. Otherwise you are automatically signed up for the next month in the season.
- Hair must be pulled up in a pony tail, bun, braid, or other updo to go in the gym.
- Bare feet are required in Gym 1 and preferred in Gym 2, but anti-skid socks can be worn on the Gym 2 equipment.
- Gymnasts should bring a water bottle into the gym with their name on it. We want to keep them in the gym for their whole time, so bring in whatever they will need for class and use the bathroom before warm-up.
- Gymnasts must use bare hands on the bars until they get to the Hot Shots & beyond class and become eligible for grips approved at the front desk.
